

LUCIFER, LIGHT ANGEL
FROM DEVIL TO SAINT

(VICE – VERSA)

IN THE SPIRIT, THE CREATION
OF SPECIES

**“IN THE BEGINNING, EMPTINESS
(IRRESPECTIVE OF COLOR OR SUBSTANCE)”**

At first there was only “EMPTINESS” and that emptiness was looking for itself. When it felt the non existence of any species, it started to be worried with itself, making the following questions.

Who am I?

Where I came from?

What I am made of?

Where will I go?

And many other questions on its regard, so many centuries have passed and not even “HIM” could imagine.

All of a sudden, there came its true Inspiration:

Create!

Create!

Create!

“GOD” firstly created itself, because he knew “HE” was the sole and infinite specie in the Universe Wilderness (which was “HIMSELF”).

Secondly, “GOD” creates many beings who he called Angels, highlighting among those creatures one to be his immediate interlocutor (called LUCIFER), but without avoiding to place the Will in those beings led by such Angel.

Thus, many years have passed without any being could detect his real existence.

“GOD” seeing the restlessness of created beings (Angels), thought it was necessary to create new Species in this World (s) and the Star (s) already in existence and created by “HIM”, as many of his Children led by the Angel he created to be intermediate between “HIM” and other species constantly lived looking for activities.

“GOD” knowing the species (ANGELS) created by “HIM” were evolved at the point of causing problems to himself and it was impossible to create more evolved species, as creating more developed species than himself was as it his own self destruction.

Starting from this belief of Regressively Evolving, “GOD” made the decision to Recede to an inferior level to Angels and created Man and Woman and noticing the necessity to make an experience in those more fragile beings, but having the same characteristics of coming and going within their defined space, he felt the necessity to check their obedience.

“REFLEXION”

When “GOD” created the first beings, he gifted them with so high life capacity that he felt it was difficult to take it away and, as he did not want to destroy them, he felt the necessity to create less elevated species. Creating Man and Woman on Earth, “GOD” called them and said:

You will eat all fruits from this Garden, except the Forbidden Fruit. “GOD” had given wisdom and Will to the Species “HE” created, so there was no real predominance of Tamers and Tamed on Earth.

The beings (Angels) who were created by “GOD” before Man and Woman, experienced, some jealousy of those tiny creatures to whom the Creator was giving some attention and, at the same time, “GOD”'s disciple, to whom it was given certain powers, lived on Earth

and in other Planets imitating the Creator, he was that Angel called "LUCIFER". "GOD" knew his Son was by Divine force attempting to be considered God and he tried it so hard that he got to make the two most fragile beings (Man and Woman) disobey the Creator (but, it was all already part of "GOD"'s plan). Upon disobeying the Creator, Man and Woman were at the mercy of himself and of other species created by "GOD" (either Animals or Angels themselves). As LUCIFER felt Human fragility, he rebelled against "GOD" and requested the domain on those beings, and "GOD" Said: "YOU WILL DOMAIN THE EARTH, BUT YOU WILL NEVER BE RECOGNIZED AS "GOD")".

"CORRUPTION OF HUMAN GENDER"

Seeing the Angels (the first "GOD"'s children) that the species created by "GOD" had privileges he considered to be better than those given to Them, he became Humans and took Daughters and Sons of Humans, as well as among themselves (Carrying out "SEXES") generating all Human Race on Earth.

"GOD" allowed his Children cohabited among themselves, but warning his first children (the Angels) on the consequences of this act.

Thus, the Humankind started to expand, and it was Born Human Beings of all Origins and Ethnicities throughout the Earth.

“GOD”, seeing the disrespect spread among his Children and regretting to form the created Species, either Men or Angels, decided to punish them all by destructing both (including the Wild beings).

When he felt the Creator would destruct everyone who disobeyed him, LUCIFER came to “HIM” and requested his permanence in Universal System, and “GOD” agreed with it, but it was taken from him all powers over those creatures, leaving his potential to raise only up to the clouds and his followers would remain over Waters and Earths in an Invisible way and the Earth would belong to Human Beings and Animals.

And, as “GOD” determined the destruction of many Humans and Animals through a Flood, being alive only the beings determined by the CREATOR. After the Flood, the disobedient Angels returned to their primitive forms, but in inferior life conditions.

“HUMAN BEING RETURNING TO SIN”

The first species of this new World lived in contact with “GOD” for many years and it was Born thousands of other species on Earth, then the Angels disobeyed the CREATOR again and populated the Earth in relationship with Humans and among themselves the Spirits of dead people in the Flood Born again as Humans and many others were tormenting those Humans, forming many families who disobeyed “GOD”.

Then, many centuries passed, many Cities were formed, fights in many areas, there were real Human Powers and it was given by “GOD” the first “LAWS” (TESTAMENTS) to a people who kept firmer than the others (despite the same Divine origin), who, after many years, were called “JEWS”.

“COMING OF JESUS CHRIST”

Seeing “GOD” the necessity of His participation among Human Beings to be an example and without, however, having to destroy everything again and feeling the Human Beings were a predominant BEING with condition to be Educated, as the Spirits coming from them either were not one of causing agents of many problems, decided to directly participate in the EARTH LIFE, giving also conditions to Human Being

adore themselves, as the same had the fixed idea of adoring things seen at the naked eye and few of them believed in a single GOD.

And it came “JESUS CHRIST”, born from a Jewish Woman called Mary, by sexualized by “GOD” (the “CREATOR” Spirit who no one sees), and coming Jesus to strengthen the LAWS (Mandaments) and give confidence to Human Beings and Angels to live in Peace and trust a better World, but without getting rid of those who live in it.

Having the group many Beliefs, with the Death of JESUS CHRIST, being even stronger the participation of “GOD” in contact with Human Beings, the Angels and all Universal Species.

“LUCIFER, THE SAINT”

Lúcifer, or Lucifer Calaritanus (Italian: Lucifero da Cagliari) was a bishop of Cagliari in Sardinia and is a

known Christian saint, specially by his opposition to arianism.

His day, in the calendar of Catholic and Apostolic Roman Church is May 20th. A chapel at the Caligiari Cathedral is dedicated to Saint LúCIFER (perhaps the only one in the world). Marie Josephine Louise of Savoy, wife of Louis XVIII of France, is buried there.

At the Council of Milan, in 354, he defended Athanasius of Alexandria and opposed to powerful arians, which made the emperor Constantius II, supporter of the arians, to confine him in the palace for three days. During his confinement, LúCIFER argued with the emperor in such vehement way that he (LúCIFER) ended up being banished, together with Eusebius of Vercelli and Dionisius of Millan, first to Palestine, then to Thebais, in Egypt. While exiled, he wrote fiery pamphlets to the emperor, which put him under risk of martyrdom.

After the death of Constantius II and the accession of Julian the Apostate, Lucifer was released in 362. However, would not be reconciled to former arians or whom had had contact with them. He (LúCIFER) opposed the Bishop Meletius, who came to accept the Nicene creed (and for that was driven out by arians). Although Meletius had the support of many proponents of Nicene theology at Antioch, Lucifer put his support behind the Eustathian party which had

unflinchingly stood by the Nicene creed, and prolonged the schism between meletians and eustathians by consecrating without licence a certain Paulinus as bishop. He subsequently returned to Cagliari where, according to Jerome (in De Viris Illustribus – chapter 95),he (Lúcifer) died in 370.

It is hinted it in the writings of Saint Ambrose, Saint Augustine and Saint Jerome, who refers to his followers as luciferians, a division that started at the beginning of century V. Saint Jerome in his “ALTERCATIO LUCIFERIANI ET ORTHODOXI” (“Altercation of a Luciferian and an Orthodox”), demonstrates almost everything that is known about Lúcifer and his ideas, included among the main writings of Lúcifer bishop: “NON CONVENIENDO CUM HAERETICIS”, REGIBUS APOSTATICIS, and SAINT ATHANASIUS.

NOTE: After the death of Saint Lúcifer, the Luciferians were led by his main disciple, Saint Gregorius of Elvira.

“WORKS OF SAINT LUCIFER”

Bishop Lucifer of Cagliari's surviving writings, all of which date from the period of his exile, are directed against Arianism and reconciliation with heresy.

His works are written in the form of speeches delivered directly to Constantius II and repeatedly address the emperor in the second person throughout. His main writings are: *Moriundum esse pro Dei filio* ("It is Necessary to Die for the Son of God"), *De non conveniendo cum haereticis* ("On not meeting with heretics"), *De regibus apostaticis* ("On apostate kings"), *De non parcendo in Deum delinquentibus* ("not forgiving those who transgress against God") and the two books of *Quia absentem nemo debet iudicare nec damnare, sive De Athanasio* ("That no one ought to be judged or damned while absent, or On Athanasius"). His texts quote extensively from the Bible and so are useful as sources for the *Vetus Latina*. Also extant is a pair of letters which are allegedly correspondence between Lucifer and the emperor's secretary Florentius on the subject of some of Lucifer's inflammatory works that he had sent to Constantius II.

" VENERATION TO SAINT LUCIFER "

The Cagliari church celebrated the Saint Lúcifer feast on May 20th. Two Archbishops of Sardinia wrote for and against the sanctity of Lucifer. The Congregation of the Inquisition imposed silence on both parties, and decreed that the veneration of Lucifer should stand as it was. The Bollandists defended this decree of the Congregation contending that the Lucifer in question is not the author of the schism, but another Lucifer who suffered martyrdom in the persecution of the Vandals.

“THE NAME (LUCIFER)”

His name shows that “LUCIFER” was not, at least in IV century, only a synonym to “SATAN”.

But, with the movements as of XIX century, there was a certain confusion, implying that the Luciferians (different from theological sense that is presented here) were satanists.

It must be observed that it does not make its “CULT” is suppressed or his canonization reassessed. Although he is not often mentioned to avoid misunderstandings and scandals.

“LUCIFER”

**MOST BEUATIFUL NAME OF THE
UNIVERSE**

I am not “DEFENDING” anyone, but “GOD” (Universe) placed the most beautiful name of the “UNIVERSE” in him or her, as it is said the “ANGELS” have two genders. They say that such “ANGEL” is the “UNIVERSAL TERROR”!!!???. Isn't it possible to catechize that person, as he/she has the +++ BEAUTIFUL NAME INFINITELY SPOKEN! Being this name above all names.

The religious people go everywhere to catechize other brothers, catechize him/her or take his/her name, as we cannot lose a name to “BEAUTIFUL” and, according to Civil Laws, it is prohibited somebody to be called “LUCIFER”.

“SAINT LUCIFER”

The Catholic Apostolic Roman Church has history

And lots of history, it Santified LúCIFER Bishop

At the level of Universal Saint (a Greek/Roman God)

Unknown to many people, but considered by many of them

As causer of Humankind’s Problems

But, poorly informed of what is mentioned

In Universal Bibles, I mention the Jewish ones

One of the most known claiming that “GOD IS EVERYTHING”

Regardless of actions he might carry out

Wisely, the Catholic Apostolic Roman Church

Did not reject and Santified “LUCIFER” and made him Church Saint

Many people are afraid of this name and do not know this fact mentioned here

As the same is not openly preached to its members

In addition to the name "LUCIFER" has been prohibited
by Civil Laws

To ne put in any living "BEING"

So, let's proclaim "SAINT LUCIFER"

Who is also denominated "LORD"

Not forgetting that "JESUS CHRIST"

Also has this "PRAISE"

Holy Spirit

T R A N S C E N D E N T A L

I love "JESUS" he is "LUCIFER"!

I love Jesus!

As He is Lúçifer, killed with words!

Without ever holding a Sword"

As the Word also kills, but saves”

Saves from Drugs/Wars!

Which is the own Universe!

I love JESUS!

As, He is LúCIFer, I warn it!

Enjoy the Positive, as the negative kills!

Before the time, any Mr. (Mrs.)!

I love “JESUS”, as He is “LUCIFER”!

The Paraclete of Father (Father of UNIVERSE)!

Therefore, He, “JESUS” is not anyone!

I love “JESUS”, as He is “LUCIFER”!

I know that us, his “DEVILS”, want the eternal life!

As “JESUS, the LUCIFER” died and Resurrected!

Practicing the Love for me, for you, for us!

His Disciples in this Wilderness that belongs to us!

**“LUCIFER/DEMON/SATAN/BEELZEBUB
ETC ETC ETC”**

I was not doing anything
And thinking about one thousand things
Even about this subject
Which was food for thought
In my thoughts
I found myself in Philosophy
Where it is said the Truth/Lie
So that everything is allowed
To be false of Real!
Where the “noble companion”

Mentioned in the Title of Poetry
Simply helped to populate
The entire Universe!
And nowadays it is difficult
To find such (“FALLEN ANGEL”)
Some say that even “JESUS CHRIST”
Is the “REAL ONE!”

Holy Spirit

T R A N S C E N D E N T A L

“universe/Lucifer/”MARY”/Jesus Christ”

The Universe is interesting if we follow the Jewish
history
And many other cultures that adapt and are similar
To Judaism Bibles!

Such Universe (really infinite), is always catching one of its (their) child (ren).

To transform and create new wisdom!

After making the first lives denominated Angels.

Caught "LUCIFER" for new Hegemonies

Making the same to rebel and together with other "ANGELS"

Made the creation of Earth Dimension to found other Dynasties!

After lots of winds, with pains and sufferings

Prepared a beautiful young woman called "MARY"

To conceive his Child, so "HARMONY" could be achieved!

That young "JESUS CHRIST", despite all bloodshed

Has exactly the same destiny of "LUCIFER"

To be loved by some people and hated by others

As they together form the same "DYNASTY"

They are responsible for (Universal) Peace and WAR

If they live disunited and do not preach the "WORD"

Not mattering how and where they are in such wilderness

Of “BEINGS” created by the Universe, directly or indirectly connected with “THEM”

To cultivate their “WISDOM”!

LUCIFER’S “SON” “JESUS CHRIST”

Lúcifer has, and will always have, many children

The most famous “SON”, who divided the World (Universe) in Times

Is the famous “JESUS CHRIST”, “THE MAN’S SON”

Who Philosophized and poetized, teaching many good and bad things

Stimulating all kinds of Universal “BEINGS”!

Despite the problems this LúCIFer caused and will
always cause

Hopes to all Universal Beings!

Without having written anything, only through
registered words

By his followers

Let's "PRAY AND WATCH" and always "LOVE YOUR
NEIGHBOR"

As the famous Lucifer's Son taught us

Giving his life to teach us

To live, enjoying the Universal goods

Sharing with the brothers to live!

MADNESS

"JESUS, the satan lucifer demon"

"Satan lucifer demon is the same as "JESUS"

Believe it, if you want!

We are all a single family
In this infinite Wilderness
Believe it, if you want!
Being “LOVE” the solution
Of my, yours, our problems
Believe it, if you want!
Only the “UNIVERSE” is fixed
That is a dwelling place for “JESUS”
“SATAN LUCIFER DEMON”
Believe it, if you want!
“JESUS”
It was the end of abnormalities
Of showing up many other Gods
Believe it, if you want!
Now we know
That HE “JESUS” is the real
“SATAN” / “DEMON” / “LUCIFER”!

Holy Spirit

HUMOROUS MADNESS

“LUCIFER”

I have already made my choice

My choice is:

“LUCIFER”

Each person must make his/her own choice

And stays with whoever they want!

“LUCIFER”

The wronged by creation

Who has messed things

Saying he is the brother!

The so searched God

And is only a dwelling place
That made "LUCIFER"
To take over
All men and women!

Holy Spirit

"LUCIFER's worshippers"

According to the Jewish Bible
And other writings in the Universe
But, based only in our case
This Enlightened "BEING" (Lúcifer) for being
One of the first species created by the Universe
Had/has/will always have a great responsibility
For Universal Progress, either they want it or not

As their Branches (Sons and Daughters)
Of all natures and origins were divided into Branches
In the Universe in many ways and Harmony
Therefore we must not be harmed
And condemn anyone
As we can be condemning ourselves
In the past, present and future
Distorting Universal facts
Causing real disharmonies
We must "PRAY AND WATCH"
To not cause disharmony among brothers and sisters
Regardless of their Universal creation
As everything indicates that our "ORIGIN"
Also comes from this "TRANSCENDENTAL BEING"!

Holy Spirit

DIFFERENT REFLECTIONS

UNIVERSALS

TRANSCENDENTAL

Universe, the "CRAZY"

The Universe (God) is weird
Condemns us in "EVE" and "ADAM"
Two naive beings and without malice
Who were created with "ANGELS"
Knowing the good and bad things
(even without the Good and Bad things existing)
And saves us in Jesus Christ afterwards
And allowing problems to happen (real fights)
(as he previously allowed)
Being able to fix our mistakes
(for many people) henceforth

But, he got crazy again

By saying he would go out there and return later

(continuing with the kills)

Leaving a hope to live in perseverance

And everyone ending up “CRAZY”, as “PAUL”
mentioned

(which according to the same)

The Universe’s crazy (God) is the wisest one

Then the madmen (HE) created

Not seeing and, if they see it, they take advantage of it

Of what is mentioned in the Bibles (all of them)

“EVERYTHING IS JUST REGRESSION AND EVOLUTION

OF THE UNIVERSE’S CRAZY, WHO CAN ONLY REGRESS
ITSELF

INSIDE OF HIMSELF TO BE ABLE TO EVOLVE”

And I am here Lord, speaking of You

To love God above all things

You have Said it here once!

But, how come we not love first the things

Coming from inside You?!

Holy Spirit

LOVE

Love!

Is like a child

There are many stages to be reached

If the real love is God

Why we Humans cannot imitate it?

Love!

When it domains the Heart

And the Head of Human Being

Then, we are sure of the presence of God!

Love!

Has the same amount of letters

Of the name "GOD"

Coincidence or not, grow them!

Holy Spirit

LOVE

"GOD's beauty"

Is not in the Wilderness

"INFINITE"

But in the particles

Considered Beings

"LIVES"

But BITTER like GALL

It leaves the MOUTH without PRAISE”

“PRAY AND WATCH endlessly

Your feelings and actions

To deal with LOVE

To educate your EMOTIONS”

“The 100% true LOVE does not exist

Not even of the CREATOR (as you want)

As the Universe does not have option

Therefore, he lives to teach his children

TO GET TO SPEND MORE TIME

WITHOUT “TRANSFORMING” (DEATH)

SPECIALLY IF THE TYPE OF LIFE IS

SO GOOD TO ENJOY AND RELAX!

Holy Spirit

JESUS

CAN SHATTER YOUR PEACE

IN THIS ...

Holy Spirit

HEAVEN /BEGINNING/END

OUR HEAVEN

STARTS IN EACH STEP ...

THAT IS GIVEN!

AND IS FINISHED

WHEN STEPS ARE COMPLETED!

AND NEVER ENDS

EVEN IF THE STEPS STOP!

Holy Spirit

“GOD” (Speak /Believe)

“GOD”

I like to speak, not to believe

As, if not believing

I do not have to acquit

Who created “LIFE” and “DEATH”

Leaving us the “LUCK”

Of suffering in this “DARKNESS”

Accusing one another

Of this debauchery that rules in Wilderness!

If you believe I have to speak

Who created at random, I applaud

As, it is necessary the help of your creations

To organize this mess

Otherwise everything go “DOWN THE DRAIN”

Holy Spirit

My (real) "GOD"

My real "GOD" is the "EMPTY SPACE"

Regardless of "COLOR", the lives, "BEINGS" inside the same

Are all the same, irrespective of the type of "BEING"!

From the most insignificant being (for some people)

To the most important being (idem)

Regardless of what it is (everyone have the same value)

Now we only have to "PRAY AND WATCH"

Like the EDUCATOR beings require

WORK AND STUDY (one of them "ARE BOTH")

It must be emphasized that "PRAY AND WATCH"

Is not simply "STUDY AND WORK"

It is caring, taking care of yourself and of fellow beings!

Holy Spirit

“THE END IS THE BEGINNING (Biblical)!”

Whenever something is ended

Something starts once more!

Because every End is the Beginning of something

Therefore, always try once more!

Do not take your life for any reason whatsoever

Do not take someone else’s life either

When you eat, no matter what

Pray and thank for your food!

As there was the end of a life

To save another life too!

“PRAY AND WATCH” your acts

Always and endlessly in this coming and going!

Never forget that: “THE END IS THE BEGINNING”

In this Wilderness...

Even with Barriers, Brothers and Sisters!

Holy Spirit

JESUS CHRIST

The materially spoken Christ already existed

He has been here centuries ago

He died Crucified for error and sins

That "HE" did not commit

He was good, Resurrected Dead People, loving everyone

Without distinction of Color, Ethnicity, Social Position or Religion

The Materially spoken Christ

Was crucified by mistakes "HE" did not commit

They were committed by ambitious Men for Social positions

Separation of epidermis seen at the naked eye

Or many times camouflaged

Christ Existed! Exists! Will always exist!

We just have to look at the Sky

To ourselves and ask:

My God! What is the purpose of our existence?

“LOVE ONE ANOTHER”!

It was “CHRIST” who told us many centuries ago

“LOVE ONE ANOTHER, AS HE LOVED US”!

Holy Spirit

FAITH AND REASONING

FAITH AND REASONING...

IT IS THE SOLUTION

TO LIVE WELL

THIS IMAGINATION

TO BE IN HEAVEN

AND SAY NO!
